Romans 8:

1. Q. What were some of the aspects of God's heart (His desire) in the creation of mankind?
2. Q. What is our great hope?
 - What does God say about our great hope? (Rom. 5:1-5)
 - What does God's love in our hearts have to do with it?
3. Q. How is our great hope linked to God's desire in Creation?
4. Q. What is suffering? (See I Peter. 1:1-9 & James 1)
 - Why is it necessary at times?
 - Is it God's desire or design?
 - What should we "count" it?
 - Why?
 - How does this change your perspective on temptations and suffering?
5. Q. Why is Creation waiting on us?
 - What are they waiting on us for?
 - Why, what is the connection?
6. Q. What is the connection between hope (specifically in verse 24) and faith?
 - What are some things this teaches us about hope?
 - What are some things this teaches us about faith?
7. Q. Is there any correlations between verses 11 & 26?
 - If so, explain...
8. Q. Explain verse 26... (I know that is broad, but I want it to be. Explore the verse and its many angles & teachings – it actually tells us a LOT!)
